16. Are there any special attributes you are looking for that we should consider when placing a dog with you? \_\_\_\_\_
- 

We have placed a variety of dogs in different situations. Any dog we place will be neutered and we work only with companion dogs - we do not place guard dogs. If we do not have a dog available that meets your needs, we can refer you to a rescue group elsewhere in Texas. We maintain a list of people and what they are looking for and notify them when the special dog is available. Thank you for your interest.
